PRINCIPAL'S MESSAGE

Dear Parents and Guardians,

This term has been marked by multiple absences due to the high level of viral infections and some flus around the state. We are coming up to the holidays at the end of next week and hopefully this might break the cycle and let attendances return to normal.

Our Rotary Readers have finished for term 3. Their contribution to our students' reading development is appreciated. Our Readers also enjoy working with our students.

On Saturday October 14, we have a working bee planned for the Grandad's Garden development. Using money donated by our local businesses, some school money and a small grant from FRRR, we are working with a local landscaper to move the project onto the ground. We do need volunteers to assist so if you are able to assist please mark that morning on your calendar.

What will be involved will be made known later but it does involve laying the tiles each class has made to mark their time at the school. This is a permanent structure and intended as a peaceful addition to the lives of our students and community.

Year 6 Theatre Restaurant is next Thursday evening—September 14th. We normally have about 120 people at this event and we do need numbers by next Tuesday for the caterers. If you are planning to attend, bookings are available from the office. Once again, thanks to those who are assisting in the many areas required for this event and particularly to Mrs Carter and the

P&C executive.
Kind Regards
Pamela Liddell

GRANDAD'S GARDEN PROJECT UPDATE

Last Friday, volunteers from Bundaberg Pottery Group and school parents came together to add the oxide detail to

our student made tiles. The first batch has now emerged from the kiln firing. Here is a sneak-peek of the lovely effects achieved. These hand made tiles will be a unique feature in our garden path design.

Mental health is ACCEPTING MY PAST.

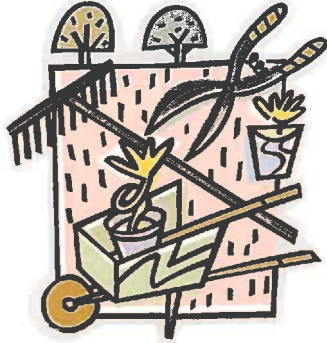

By learning and benefiting from my mistakes, and giving/receiving forgiveness of self. We must attend to the damaged perspectives which result from historic abuse, trauma and regrets, wherever misinterpretations and overreactions indicate there's a problem. 'Can I recall an event without recoiling from the memory?' is a useful little test. ©Copyright D. Riddell, 2012.

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH, ITALIAN OR SPANISH CULTURE TO LIFE!

Why not volunteer to host an international student from France, Italy or Spain next year? We have a small group of delightful students coming to Australia for 11 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. All these international students are around 15 or 16 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term cultural immersion stay. It's fun and interesting to help these young people achieve their Australian dream. If you would like to know more, please email your interest to ICM on info@icm-education.com.au or call Georgie or Anja on 1800 500 501, or visit our website www.icm-education.com.
