PRINCIPAL'S MESSAGE
Dear Parents and Guardians,

Please consider attending our first P&C meeting for 2014 next Monday at 5:30 pm. There are many changes in education at this time, and your input as a parent or guardian would be very useful.

This afternoon Mrs Edwards will be conducting the first of the Parent Information Session. The Prep area is not looking its best, having had the old playground removed last weekend. However, the new Prep playground will be built this term. We are fortunate in that this is the last of our Building the Education Revolution monies, which also enriched the school by building the Resource Centre and the Hall.

Teachers will all be having Information Sessions as the term gets underway and staffing is finalized.

Our year 6/7’s are busy preparing their speeches for the Student Leaders selection process, which will take place in the Hall at 2:15pm on Wednesday. The selection process for the School Captains has 3 stages. The students’ vote is the first, the staff vote has equal weighting as does the student interview with myself and Mr. Byrnes. There are many aspirants, and after Wednesday’s speeches there will be a shortlist of six students to enter the interview stage to decide the final leaders. Council of Students leaders usually are found through this process and House Captains will be voted on this Friday afternoon when the houses get together. Presentation of school badges will be in Week 5, with Mr. Byrnes attending to present badges.

Please remember Student Resource Scheme payment is due.

Kind Regards
Pam Liddell
Principal
INSTRUMENTAL MUSIC
Lessons with Ms Palmer have begun. Make sure your forms and money have been handed in at the office, and you bring your music equipment so you can attend your first lesson. Music invoices have been sent out. Forms and payment must be made before instruments can be given to students.

Lisa Palmer, Head of Instrumental Music Teacher

CHINESE NEW YEAR COMES TO BURNETT HEADS
The team of 22 students put their training to good use by performing at six Primary/High schools in Bundaberg. They were able to share Chinese traditions and culture with students from other schools. The general comment back from teachers and Principals at other schools was that the student’s behaviour was exceptional and the quality of the performances were beyond their years.

GO FOR GOLD COMMENCED THIS WEEK
This is our longstanding incentive program to encourage all students to make the best of themselves, through learning, behavior, participating and generally being great school citizens. Teachers will be ticking off each week on uniform, attendance, homework, behavior in and out of the classroom and respect for self, others and the environment.

The first stage is to Build to Bronze over the coming weeks. Good luck and try hard to all of our students.

HEADLICE
Please be vigilant in checking your child/ren for headlice and treating if required.

PREP CLASS PHOTO
Prep photo for the NewsMail will be taken on Friday 21 February at 9:00am. Please ensure you have returned your permission form. School uniform is required to be worn on the day.

BUNDABERG ZONE PRIMARY SCHOOL SPORT
Nominations are being called for all schools in the Bundaberg Zone, for GIRLS and BOYS to attend Trials in Basketball, Tennis and Softball. If you child has participated in these sports and is interested in nominating for the Trials talk to your teacher who can provide you with nominations forms.
