**PRINCIPAL’S MESSAGE**

Dear Parents and Guardians,

During the last few weeks, Mrs Strube, teachers and myself have been analysing information about student achievement Literacy and Numeracy. This is used to develop our Guaranteed Results submission, which is to receive the funding spoken about in the media. For our school, it is a combination of our School Partnership Money Learning Plan. Student/teacher meetings at the end of this term will cover this information for your child, and set targets for the year which can be worked on at home and at school.

This week we invited the Pathways to Resilience Trust into our school to talk to our classes. This group presented Brain Talk for Kids which is about showing students how their brain works. Much of the message was that the brain is plastic and can develop new capacities with effort and practice. This is an important message for students who may have the “I can’t” attitude when they find something difficult.

Our School Captains will be at their first official event today, as they attend the annual Leaders Meet Leaders lunch at the Civic Centre. This is attended by School Captains from most local schools as well as the Mayor and Bundaberg Councillors. Students participated in our annual Clean Up Australia Day event last Friday. As usual, students gathered lots of rubbish from the front while Prep and Year 1 made sure that the school grounds were clean. House Captains acquitted themselves well, looking out for younger children and assisting staff during this outing. Mrs Ramun took photos and these will be amongst many to be shown during our BBQ tomorrow afternoon.

Regards,
Pamela Liddell (Principal)

On parade last week each student from the team received a certificate from Bundaberg Regional Council to show the Council’s appreciation for the work done in training and performing at various schools during the Chinese New Year Celebrations 2014.

At a meeting this week the Manager from the Bundaberg Regional Library invited the team from Burnett Heads State School to perform at the library during Chinese New Year in 2015. This performance will probably be on a Saturday morning and will be in addition to the performances at regional schools.
