PRINCIPAL’S MESSAGE
Dear Parents and Guardians
When our Behaviour Committee reviews our behaviour data, it is finding that the vast majority of students – 96% do the right thing close to 100% of the time. However, there is a small core of students for whom our school wide behaviour expectations are not working. After consulting the P&C, we have decided that if students receive 3 cross classes or Behaviour Referrals between Wednesday May 27th, and the Disco on June 18th, they will not be able to attend the Disco. We want our Disco to be one in which all students demonstrate that they can enjoy themselves while taking notice of the well being of others.

As we approach the end of the financial year, could families who still have outstanding resources payments, please either see Helen to make arrangements, or complete payment of the account as agreed by signature before the end of 2013.

This time in Term 2 is always assessment and reporting and this is well underway at present. Reports will go home on the last Tuesday of Term 2. Despite the public holidays, it is important that attendance on school days is maintained.

If you are taking your child out of school for more than 1 week, it is required that you talk to your teacher and Admin about that absence. Regards

Pamela Liddell (Principal)

Focus in each classroom this week is Getting Along with others by being respectful of them in how you speak to them, and how you respect property belonging to the school or other people.

INTERHOUSE SPORTS DAY
Our 2014 Interhouse Athletics Carnival will be held on Thursday, June 26th. This is the second last day of Term 2. The 800m will be held on the preceding Wednesday. Tracks are marked thanks to Mr Steele and Athol, and the Council of Students are starting to work with House Leaders to begin practices. We are running Athletics as part of AASS and hope all students will start to prepare for the day.

CHAPPY NEWS
Congratulations to everyone who participated in the crazy hair day for Chaplaincy last Wednesday. There were some wonderful hairstyles that required forward planning and a lot of effort. I am very pleased to announce the total monies raised are $166.65. A fantastic effort! Thanks for your support. God bless, Chappy Tanya.

YEAR 2 LIGHTHOUSE EXCURSION
On Friday the Year 2 students participated in a hike to the Burnett Heads Lighthouses as part of their History unit of work. The students asked Mrs. Kidd questions about the significance of this historical site and what the lighthouse means to our community. The students are writing a narrative about the old lighthouse to finish off the unit of work.

YEAR 6/7 GIRLS LIGHTHOUSE CAMP
Last Wednesday we left school and travelled to Lake Gregory to practice canoeing before setting up camp. We really enjoyed canoeing and learned how to steer, use different strokes and perform rescues after capsizing. We camped overnight in tents and had discussions around the campfire to improve our relationships at school. We learned that each of us has potential inside of us and we can achieve things that we haven’t even done before.

Canoeing the Elliot River on Thursday was very challenging but fun. As we lifted canoes over fallen trees and made our way through other obstacles we learned that this is like life and friendships. Although you have difficulties you can push through together and find a way to get along. Our muscles ached, we had scratches and bruises but we never gave up. We took care of each other and were glad to have friends around us to help us complete the journey.
