The Ice-Cream Problem
On the beach at night I saw a different type of ice-cream van that was making fantastic ice-cream. I was sitting on the side of the car park. The top was made out of plastic and the bottom was ice-cream. Later when the sun came up the ice-cream van melted and turned into an ice-cream split. So I made the van again with new ice-cream and put it into the freezer. I never left the ice-cream van at the beach in the daytime again, only visiting the beach at night time, selling my ice-cream cones. By Maya Drury

The Melting Ice-Cream Truck
One day in the afternoon the Drury family went to the ice-cream truck because it was so hot. The next day the ice-cream truck melted. The Drury family didn't get there fast enough. The ice-cream truck melted on the road. Maya found a way to fix the ice-cream truck. She froze the truck with a big block of ice. Maya is a hero! She saved the day and we all had ice-cream for dessert to celebrate.

Progress through Participation

Great state. Great opportunity.
BURNETT HEADS STATE SCHOOL

Organisation: being at school every day this term and ready for class.

SPORTS NEWS
Well done to our students who participated in Coastal Sports on Friday. Competing against large schools is always a bit daunting, but it does give our competitors a stir to get ready for Jumps Day and Salter's Oval, where we compete against schools our size. The difference made no difference to Patrick Drenghold who was successful in sprints and the 800m.

AFTER SCHOOL SPORT
There will be no After School Sport this Thursday due to Jumps Day Sports.

YEAR ONE
Year One will be planting their vegetable garden this Friday, August 7 from 2:30 to 3:00pm. If parents would like to come and help they are most welcome. Please advise Mrs. Stachan if you are able to assist.

HEAD LICE
Head Lice remains a constant problem. We seek your help in being vigilant in checking your child/ren's hair on a regular basis and treat as needed. Thank you.

DENTAL VAN
The Dental Van remains at our school until Wednesday 27 August. This service is free. If your child has not been seen, please complete paperwork as soon as possible to take advantage of the service.

LOST PROPERTY
There is a large amount of winter clothing and other items in our lost property. It will be on display in the undercover area on Wednesday afternoon. Please check if any items belong to your child/ren. Any unclaimed items will be given to charity.

STUDENT RESOURCE SCHEME
Thank you to families who have paid the Student Resource Scheme this year. This school option is an economic alternative for parents instead of purchasing from a book list. If your payment has not been received, it would be appreciated if payment can be made as soon as possible. Statements were sent home last week.

CHAPPIE NEWS
Congratulations to Mystique Ogilvie from Year 1 for receiving the True Friend Award last week. Thank you for caring for our library and being helpful to Miss Rose. Well done Mystique.

I am away this week at the annual SU Chaplaincy Conference on the Sunshine Coast. This is usually a really worthwhile time of professional development, seeing what other Chaplains are doing in their schools and an opportunity to catch up with my fellow Chappy colleagues from around QLD.

I'll see you all again next Tuesday – Thursday. Thanks for your support Burnett Heads. Take care and God bless, Chappy Tanya.
