REEF GUARDIAN FLEC
On Thursday 21st August, Alodia, Lach,
na, Karnaik, Elitha and Paige partici-
pated in the Reef Guardian FLEC (Future Leaders Eco Challenge) at Baldchin Swamp. They had the oppor-
tunity to learn from local experts in en-
vironmental education. They com-
pleted activities which highlighted the
importance of mangroves in maintain-

ing healthy coastal ecosystems. They
identified some mangrove species and
adaptations, looked at nodules and
barriers to fish populations and ex-
plored mangroves through art and the-
ater using Mangrove, an inflatable
mangrove ecosystem.

Principal's Message
Dear Parents and Guardians,
Naplan results are now available to all students. We are pleased to share that 98% of students achieved the highest level 5 in all subjects. This is a testament to the hard work and dedication of both students and staff. We would also like to extend our gratitude to the parents and guardians for their support throughout the year.

CHAPPY NEWS
Congratulations to Bade Lucas and Samantha Nordberg, both in Year 7 for receiving the True Friend Award last week. Thank you for looking after our school environment by turning a burning tap off. Well done Samantha and Bade!
Part of my role as Chaplain is to be aware of support groups and programs in the community. There are many available at either no or minimal cost. Services are available for children, youth, adults and grandparents and include support for a range of issues including grief, loss, dealing with family separation, mental health, alcohol and gambling support, parenting help, grandparents caring for grandchildren, financial, first aid, legal advice, family mediation, general counseling and many more.
If you feel that your family may have a need for support in any of these areas or another, please come in for a chat at your convenience, no appointment is necessary. Thanks for your wonderful support Burnett Heads. Take care and God bless, Chappy Tanya.

ROAD SAFETY CAMPAIGN
Driveto distraction
Distracted driving is dangerous. Every day distracted drivers cause hundreds of crashes on Queensland roads. Something that takes your attention or focus away from driving and its effects on a distraction can lead to a crash. Don’t become complacent while you’re at the wheel.

Common distractions
Singing, eating, applying make-up, adjusting the radio or music, using a mobile phone, drinking or smoking while driving

Mobile phones
Driving with a mobile phone in your hand is illegal and can attract a fine and demerit points, even when you are stopped in traffic (for example, at traffic lights). This includes listening. If you want to use a mobile phone while the phone is in your hand, you must pull over to the side of the road and park it in a risk-free position to pull over, be your mobile ben safe

Tips to avoid distraction
• Focus what is actually more important before you start driving or during next break. Turn off your phone while you’re in the car. This will stop you from being distracted.
• If you need to take a call, safely pull over first, put your hands free and let your mobile phone talk.
• If you have a hands-free device in your car, you can use it while driving without the use of your hands.

Crashes are caused by deliberate actions of road users. It’s all about choices!
