YEAR ONE NIGHT SKY VIEWING

Year One had a great night viewing the night sky. Thank you to Mr Peter Forbes and Mr Mark Sugars for showing us the moon, Mars and Saturn through their telescope. It was great to also see the International Space Station zoom across the sky. We were able to spot some spiders, a possum and a bird in our spotlighting session. Thank you to Mr Lucas for cooking the sausages, Kiley Dean for helping with the food and Mrs Jessop for cleaning up. Thanks again to all who came.

CHAPPY NEWS

Congratulations to Nicholas Voysey in Year 4 and Abby Driscoll in Year 2 for receiving the True Friend Award last fortnight. Nicholas received the award for caring for his classmates and being a responsible and fun friend. Abby received the award for caring for our school environment by tidying up the eating area. Well done and thank you Nicholas and Abby! Thanks for your wonderful support Burnett Heads. Take care and God bless, Chappy Tanya

STUDENT COUNCIL FUNDRAISER TO SUPPORT TAYLA KERRY

Icy cups on sale after school. Price will be 50c. Proceeds go to Tayla..

P AND C NEWS

Thank you to all who supported the Fathers Day Raffle and Stall. It was a huge success. We are currently trying to raise funds for Tayla Kerry. This is so she can represent our school in the State for Shot Put. We have tins around the community so if you have any spare change it would be appreciated if it could be put into the tins.

No tuckshop or breakfast club the last week due to Theatre Restaurant.

VOLUNTEERS - THEATRE RESTAURANT

With just over a week to go for the Theatre Restaurant. We would still appreciate any help you can give. It does not matter how much time you have to help us but it will make it a lot easier if we have more helpers.

Kepnock ACE-S Visit

Students who attended the Kepnock SHS ACE-S program were exposed to science activities aimed at enhancing scientific knowledge, skill and processes carried out in a high school setting. The activities included the dissection of a Mullet, using dry ice to see how states of matter change, examining how fossils are formed and the solar system works and the physics involved in rollercoasters. Student feedback indicated that the day was exciting and hands on with most enjoying the range of activities – The dissection of the Mullet and use of dry ice were the crowd pleasers at the end of the day. Students that attended this session have been given an invitation to return to Kepnock SHS on Thursday 9th October at 9:15 am (week 1 Term 4) in our school hall to participate in a session with The Surfing Scientist, who appears regularly on ABC and is a past Kepnock SHS student. This event has proven to be very interesting and engaging to all students who have attended this in the past. Information regarding this was sent home and class teachers also have this information.

I would like to compliment the students on their behaviour, work ethic and social skills whilst interacting with students from other schools. They were a delight to work with throughout the day. I believe this is a credit to themselves, their parents/guardians, teachers and the values of the school.

car. I finally arrived at school, thrilled to be there at last.

First Mr Standfast told us all to plan where our tents

were going to be pitched. Next we started to pitch our tents behind the year six room. After that we all put our gear in our own tents. Then we sat in the camp circle seats.

Later we watched the adults make the fireplace. They dug a whole and put rocks around it

The children are writing a recount of their camping experience and it will be produced in a book to be kept in the library.

A NEWSLETTER LINKING BURNETT HEADS PRIMARY SCHOOL COMMUNITY

PRINCIPAL'S MESSAGE

Dear Parents and Guardians,
This Friday, we have the Behaviour Audit which was originally timetabled for last month. Parents may be approached either personally or by phone to express an opinion on behaviour management in the school. The Auditor's name is Bronwyn Braithwaite and contact could be any time Friday.
Your opinions are welcome at any time
Last week was Teacher Aide's Day and it was an opportunity for us to express appreciation to our auxiliary staff. Being a Teacher Aide is a highly responsible position, and its importance in the education of our students is not acknowledged often. Our Aides are para professionals, supporting teachers in the delivery of the curriculum as well as bringing their own training and skills to the classroom. Their presence in the school enriches our school community and they are greatly appreciated.

As this term approaches the last couple of weeks, it inevitably becomes busier. The main events which we have over the next two weeks are the school Disco this Wednesday evening, Audit on Friday, the Prep Play and Learn day on Monday, the annual Theatre Restaurant event on Thursday evening, and the Gold Club celebration on Friday. Behind all of this activity, teachers are completing assessment for term 3, and it is important for students to attend each day.

Any parent assistance in the final stages of the Theatre Restaurant would be appreciated. We look forward to having our Rotary Readers as guests for the last rehearsal on Wednesday afternoon.
Our first AFL and Touch games went very well. Students and teachers enjoyed the games which will continue into next term.

Regards
Pamela Liddell (Principal)
