PRINCIPAL'S MESSAGE

Dear Parents and Guardians
With this Newsletter, you will find permission notes for those students who are going out of the school on Friday. This will be to celebrate reaching Gold in 2014. Congratulations to all students who have worked so consistently to achieve this over 3 terms of the school year. This year the movie is *How to Train Your Dragon 2*, which will be screened at the Moncrieff on Friday morning. Permission notes must be returned before students are able to attend. The buzz of Theatre Restaurant is right through the school. Mr Byrnes and Mrs Shears are working tirelessly with the students to bring you an entertaining performance on Thursday night. Mrs Ramm, the P&C and a team of workers have been busy with the backdrops and the preparation required for this event. The effort from all volunteers and staff to make this event a successful one, unique to our school, is a credit to all. It does involve multiple hours of work by already busy hands. Ticket sales have been strong so purchase now if you intend to go. There are no seats available at the door on the night. During this term, we have welcomed First Year trainee teachers into our school. They have contributed well while on their learning journey toward teaching. This week we also welcome ex student Joshua Phyllis back as a work experience student. Josh is assisting in a variety of classroom roles while he is with us. As always, as we approach the holidays, I ask you to keep an eye on the school during the break. There will be staff here at some times over the holidays but it is good to know the community also watches over our school.
Happy Holidays

Principal

KEEP A WATCH ON OUR SCHOOL THESE HOLIDAYS

With the holidays fast approaching, we need you to look out for after-hours crime in our school. If you see anything suspicious, please call School Watch on 13 17 88.

The School Watch program is a partnership between the Department of Education, Training and

Employment, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools.

If you do see something suspicious, please don't attempt to intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter. Keep the number handy - 13 17 88 - and let's work together to help create a safer school community.
