A NEWSLETTER LINKING BURNETT HEADS PRIMARY SCHOOL COMMUNITY

PRINCIPAL'S MESSAGE

Dear Parents and Guardians

May is designated Reading Month throughout Queensland schools. In our school, we will be conducting a Book Fair, encouraging students to enter the Premier's Reading Challenge from May 19th, placing particular emphasis on reading for pleasure in classrooms, dressing up as a favourite book character and beginning a Reading Club lunchtime session each week in the Resource Centre. Reading is the key skill for all people in our society, but it has much competition from the many devices available. Mrs Strube will be offering a particularly important session for parents next Wednesday May 13th, which will ensure parents have a strong grasp on how their children are learning to read and spell. This session is advertised in full in this Newsletter, but I do think that many will find the session a useful tool for supporting their students' skill development through their school years. All parents and carers are invited and the session will run from 5 til 6 pm.

Naplan testing takes place next week for years 3 and 5. Language Conventions and Writing testing in on Tuesday, Reading on Wednesday and Numeracy on Thursday. Friday is a catch up day for anybody who misses any of the previous days but students should not miss a testing day if at all possible. If any parents wish to withdraw a child from the testing, they should advise the office. Naplan is point in time testing, which suits some children better than others. We all like our students to do well, but keeping track of internal results is an important measure of progress.

Kind Regards

KEPPEL TO CAPITAL JET SKI BASH

There is a large amount of activity as the school prepares for a visit from this Charity group. We are delighted to have them visit our school on their Jet Ski adventure. I hope they will enjoy their visit (and the food), as well as meeting some of our students. We wish them well in their fundraising for Children's Charities and a safe completion of their event in Brisbane.

CONGRATULATIONS TO TOBIAS WRIGHT

Tobias has successfully competed in the Queensland Conservatorium Griffith University State Honours Ensemble Program for Middle School. He has secured a place at the Open Conservatorium for his skill in playing the saxophone alto. Well done, Tobias.

HAROLD'S VISIT WELL RECEIVED BY STUDENTS

Harold and the Life Ed Van have departed after a productive visit. Teacher Kathy reported a high level of involvement from the students as they discussed health and well being issues related to their stages of life. Thanks to parents for supporting this visit.
