

The Fox the Farmer and the Hen

One fine day on a rusty, old, animal farm there was a farmer dressed in old worn clothes. On his way to the chicken pen, he spotted a slim fox.

The fox who had evil slit eyes and a skinny body, slyly moved towards the farmer. "What are you doing?" said the farmer curiously. "I'm searching for chicken eggs" said the fox eagerly. The farmer was too kind and promised the fox that he would share the eggs with the fox. "Silly farmer" mumbled the fox sneakily.

Fox and farmer became close friends although fox craved for more eggs. "Yummy Yummy" said the fox. The chicken laid no more eggs. When the farmer realised what happened he was furious and with that he shooed the fox away as the fox was muttering. Meanwhile the farmer ate a sandwich. As the farmer returned home he looked out the window at the fox. "He shouldn't have been so greedy" said the Farmer.

A NEWSLETTER LINKING BURNETT HEADS PRIMARY SCHOOL COMMUNITY

PRINCIPAL'S MESSAGE

Dear Parents and Guardians
Next Tuesday is Chaplaincy Breakfast, where myself and 2 of the school leaders will attend the Mayoral breakfast in Bundaberg. It is a good time to reflect on the work Chappie Tanya does in our school. She is a tireless supporter of our students and her work is greatly appreciated. Show Holiday is this Thursday. For those of you who attend the show, do go to the Pavilion to see the display from our school. The show theme is ANZAC and our Year 1 to 4 classes will have handwriting and artwork on display. Today the Student Council and P&C have combined to have a Red Day to support fundraising to rebuild a school destroyed by a cyclone in Vanuatu. For all who were able to support this, thank you. There are collection boxes for the cause in the front office or anybody who wishes to donate. On Saturday I attended the local acknowledgement of the Rotary Reader Program which is now 10 years old. As I wrote in the last Newsletter, Sherilyn Strube is the driving force behind this project, recruiting and training volunteers. Sherilyn, as well as our Rotary Readers, were acknowledged. It was clear from Rotary Readers that not only do the children benefit from individual reading time, but the volunteers also find the time spent rewarding. If you know any people who may be interested in training to be part of this volunteer program, please encourage them to contact the office. Reading remains our focus, with all classes concentrating on summarizing.

Kind Regards

Great state. Great opportunity.

Be a Learner - do you know your number facts? You can do that through taking time to practise every day. Take responsibility for your learning.

GREAT UNDER 8'S DAY

Our Under 8's Day event went well last Thursday, with all of our Under 8's and many from the local area attending. It was fun for all, with early years teachers, teacher aides and volunteers all contributing much time to make it an enjoyable event for the youngest members of the area.

ARTS COUNCIL

Our next Arts Council Performance is on Tuesday 2 June at 1:30pm in the Hall. The performance will be **"Have You Ever Heard A Wombat Sing?"**

You're invited to go on a journey with two singer song-writers who are passionate about music - music to dance to, music to work to, music that can express what you believe and what you feel. Along the way discover secrets of the natural world of being one with the land, and how to respect and look after Mother Earth and her creatures.

In this lively and original show, two passionate young musicians draw on their Indigenous heritage to combine stories about the environment with a range of musical styles including acoustic, hip-hop, rap and reggae.

As the audience become involved in simple music-making and song-writing, cultural history and contemporary awareness fuse in a powerful affirmation of the imagination and the ability everyone has to express themselves through music.

Envelopes are attached to this Newsletter and the cost is \$5.00 per child.

CHAPPY NEWS

Thank you to those who have indicated they will be donating some eggs for the Bundaberg Mayoral Chaplaincy Breakfast. This event is fast approaching so could you please deliver these to the office this week. Together with Bargara State School we are aiming to get 40 dozen eggs. Having goods donated for the breakfast maximises profit and all funds raised are donated to the School Chaplaincy. We still require quite a number of eggs so if you can help out it would be appreciated!

Thanks Burnett Heads, take care. Chappy Tanya.

Reading for Fun Morning Tea sessions continue on Wednesdays and Thursdays.

VERLIA QUEST - Part 2

But there in a sticky swamp was a UNICORN! "Are you ok unicorn?" whispered Tear. "I can no longer fly in the blue sunny sky" cried the unicorn. Tear felt sorry for the unicorn so

she helped it out. Of course the unicorn was a beautiful rainbow animal with an ice cream horn.

The next morning, the sun was shining bright yellow. "Unicorn would you like to come on a quest with me to save all the villages in the world?" asked Tear. "I would love to but what use would I be? I cannot fly anymore" complained the unicorn. "I do not care at all, I need someone to keep me company" yawned Tear. "Ok thanks" thanked the unicorn. "What's your name?" asked Tear. "My name is Rainbobo" answered the unicorn. "Oh my name is Tear" bellowed Tear. They both got use to each other and began to walk through the gooey slime. As they walked through the slime they noticed it was rising higher and higher. They began to worry because what they thought was slime was actually a MMMM MONSTER!!!!!!!!!!!! They began to run but the monster had grabbed hold of Rainbobo's blue tail. "Catch the rope!" screamed Tear as she threw the rope. Tear began to pull and finally got her, then Rainbobo threw Tear on her back and galloped away into the dark forest.

As she slowed down they both sat under a tree and drank their remaining water. They were frightened of what they just saw and as they calmed down they kept walking toward their next destination, which is called Buzzing Bee Town.
