PRINCIPAL'S MESSAGE

Dear Parents and Guardians
Interhouse Sport's Day is almost here. The sport's houses are smaller this year, but the enthusiasm of the students is intense. There is always a great spirit of competition amongst our houses, and this year the Year 6 leaders will have their first shot at organising the war cries and showing their leadership and sportsmanship in competition. I hope that many parents will come along and enjoy the day. All visitors are asked to stay away from the finish line, since clearly it is difficult for judges to see place getters when they have to compete with people trying to take photos. The P&C have developed a great Sports Day menu which is attached to this Newsletter.

We will be trialling a new tent procedure, with results of each race recorded straight onto a data base. The rate of races will be a little slower so there is no confusion at the tent.
Silver Day in Term 2 is on Friday and is a well won reward for students who have met the required standards. Thanks to the P&C for organising a sausage sizzle and ice block for students on the day. We are happy with the proportion of students who are making consistent effort to do their best work and demonstrate excellent behaviour. A special congratulation goes to those students who have not missed any instruction days this semester. Reports accompany students home this afternoon. If you have any questions about reports, please make an appointment to see the class teacher.

Happy and Safe holiday to all,
Pamela Liddell (Principal)

HEALTHY LIFESTYLE PROGRAM

The state-funded free **healthy lifestyle program for families – PEACH 'Parenting, Eating and Activity for Child Health' program** is once again coming to **Bundaberg commencing in Term 3.**

Get your family active and eating well

Local families can sign up the free healthy lifestyle program called PEACH™ - Parenting, Eating and Activity for Child Health. Registrations are now open for a new group to commence in Bundaberg at in Term 3, 2015.

The program is fun for kids and helps parents and carers make healthy eating and activity a part of every-day life. It is available to families with a child aged between 5-11 years who is above a healthy weight their age.

It consists of 10 group sessions that run for 90 minutes each. The first 9 sessions are held weekly within the school term. Ongoing individualised family support is offered through the second half of the program ending with one final group session.

Some of the topics covered include nutrition, relationships with food and eating, changing family lifestyle behaviours and making healthy eating affordable. While the parent sessions are taking place, children enjoy active play with a trained child physical activity facilitator.

The program is funded by the Queensland government and being delivered by the Queensland University of Technology.

If you would like more information about the PEACH™ program or to register please contact free call 1800 263 519 or visit www.peachqld.com.au
