

## YEAR 5 POETRY

Year 5 have been learning about Poetry. We have looked at various poems including anthems, odes and narrative poems. These are some students have created or continued.

**Triantiwontigongolope** (C.J. Dennis)  
There's a very funny insect that you do  
not often spy,  
And it isn't quite a spider and it isn't quite  
a fly;  
It is something like a beetle and a little like  
a bee,  
But nothing like a woolly grub that climbs  
upon a tree  
Its name is quite a hard one but you'll  
learn it soon I hope  
So try

Tri-  
Tri-anti-wonti-  
Tri-anti-wonti-gongolope  
It's great and green  
Sadly it looks like a bean  
He makes a face  
When you're near his base  
To climb you need a rope  
So Try  
Tri-anti-wonti-  
Tri-anti-wonti-gongolope  
(Lana Browne)

**Ode to Ice Cream**  
I really like ice-cream  
Although it may not seem  
After one I'll want another  
But that doesn't happen when you have a  
mother  
She'll say 'no', it will make you fall to your  
knees  
Not even if you say 'please'  
So I go and do something else instead  
Like sneak them into my bed  
(Lacey Streat and Pearl Price)

## PRINCIPAL'S MESSAGE

Dear Parents and Guardians,  
The Bundy Bulls basketball team made an afternoon visit to us yesterday. The purpose of this was to drum up interest in students for the coming 5 week season which they will be delivering as part of our Term 2 Sporting Schools program commencing the week of August 10. There was quite a lot of excitement surrounding their visit and younger students will be able to participate in the skill sessions, thanks to a short hoop stand which the Bulls will bring.

Our school has been made part of the Success Schools Project for the coming semester. There will at times be outside Literacy and classroom management-coaches working with teachers as part of our school improvement journey. Many of the other larger schools have already had this extra support and we are appreciative of the chance to work along side specialists in these fields. Teachers are learners as well and what is being implemented is proven best practice for student learning, with particular emphasis on reading. A reminder also that our school website has links to Reading Eggs as well as other interactive sites. These are freely available out of school hours.

School Opinion Surveys have commenced. We will be inviting parents from each year level to come and complete the opinion survey at school, commencing with the Prep/1 parents on Thursday at 2:30. This process is used as a measure of our school, so have your say in this annual collection.

Kind Regards  
Pamela Liddell (Principal)

This term is Theatre Restaurant so we will be looking for help later in the term to help set up and prepare.

On August 8 we have been invited to hold the Bottle Stall at St John the Divine 75th Anniversary Mini-Fete. We are asking for bottle donations to hold the Bottle Stall. These can include pasta sauce, Jam, Chutney jars (filled). Also we need donations of items to fill the bottles. These items can be virtually anything from small toys to chocs, to pegs or materials.

A huge thank you to all our helpers last week for coming in to tuckshop or donating products. Our thanks go to Kain Carpenter, Sheree Doorley, Jess Riley and Carly Sugars.

**HEAD TO THE CHILDERS FESTIVAL FOR FREE FAMILY FUN!**

There's plenty to keep the whole family entertained at this year's Childers Festival from Saturday, July 25 to Sunday, July 26.

In addition to 95 tempting food vendors inspired by flavours from across the globe, there will be non-stop entertainment to delight children of all ages.

Kids will be wowed by Street Science's educational performance. From coloured fireballs through to nitrogen clouds, the show is entertaining and explosive!

Street Science will perform on the Main Stage on Saturday afternoon and Stage Two on Sunday.

For show stopping entertainment look no further than The Incredible Flea Circus presented by TuttiFrutti.

Gasp at the High Dive! Marvel at the Flying Trapeze! Meet the Strongest Flea in the World!

The Fleas, the stars of the show, are coming to the Childers Festival direct from the whiskers of a sea lion, the trunk of an elephant and the belly of a fruit bat. Find the fleas on Stage Four on Sunday morning.

John Sharp from Itz Magic will deliver two amazing comedy magic shows on Stage Four on Sunday afternoon. Earlier in the day, John will perform his distinctive version of "Walk Around Magic".

Don't miss Starshine - a Hula Hooping Wonder on Wheels on a mission to take the joy of hooping to the World and will be whirrrrrrlling around the festival on Sunday afternoon.

More kids' entertainment can be found at the eastern end of Crescent Street, with camel rides operating both Saturday and Sunday and a Youth Space featuring kids' games and amusement rides designed with the teenager in mind running on Saturday afternoon.

On Sunday, kids can take advantage of FREE face-painting in Crescent Street or try some of the amusement rides on offer at both ends of the Main Street.

Keep an eye out for stallholders who offer a wide range of activities for kids from air brush tattoos to wax hands.

For something a little quieter, Bundaberg Regional Libraries Youth staff will be telling stories, singing and using puppets in the courtyard behind the Palace Building.

**RECYCLE**

Have you ever wondered what happens to the contents of your recycling bin? Around 154 tonnes of recyclables are delivered to Bundaberg Regional Council's Material Recovery Facility (MRF) each week. These items are hand-sorted by IMPACT Community Services staff before being bailed and sent on for recycling. School and community groups are welcome to tour the MRF for an opportunity to discover how recyclables are managed and to help increase awareness of recycling within our community. Bookings are essential, to arrange a tour contact IMPACT on 4155 3411. For more information on Council's Waste and Recycling Services head to [www.bundaberg.qld.gov.au](http://www.bundaberg.qld.gov.au)
