

Year 4 students have been taking part in online discussions about the text we have been reading in class, Rowan of Rin. Here is an example:

Kayla's Opinion

by Kayla TATTERSALL - 10 days ago (Updated 6 days ago) - Edit - Delete

I think Emily Rodda has described Sheba very well but I'd like to find out how far will they have to go so they can find out what is blocking the water? But I guess that's further in the story. #:) In the story so far Sheba is described as a witch because she is ugly.

I predict that on the mountain the dragon's tail is on the stream blocking the water from going down the stream. P.S give me a like 😊

PRINCIPAL'S MESSAGE

Dear Parents and Guardians, Preparations for the Theatre Restaurant are under way as the night draws closer. This year, with a small Year 6, is a particular challenge as far as ensuring we have enough helpers and enough people attending on the night. We do always rely on parents from throughout the school to stand up and help to bring this night together. If you are able to assist as a kitchen hand for Mr Ramm, who we are fortunate enough to have as main Chef again this year, please do offer. It is a big night and more hands make light work. I do know that Mrs Ramm has already sourced helpers for the night. However, more are needed to allow us to have what has always in the past been an exceptional night which students remember in years well past primary school.

All profits from the night go to the Year 6 fundraising for the end of year trip. There will be no tuckshop next week. There are 2 more weeks for students to make Gold and Gold Celebration Day is the last day of school this term. This is a major achievement for students, requiring consistent application to making the most of what is offered to them.

Thank you again to all parents who have responded to the School survey. Overall the responses were very positive and the suggestions which have been made will be taken seriously. There will be changes made in some areas as a result of the feedback. Survey boxes will remain in place until term's end.

Kind Regards

Progress through Participation

Great state. Great opportunity.

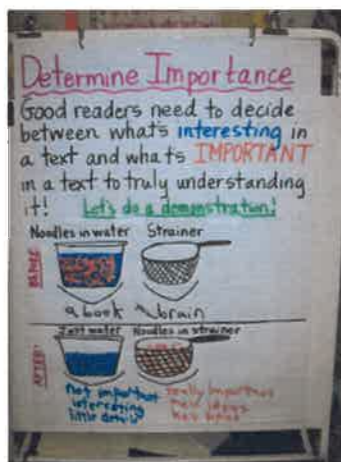

Be a Learner—everything at school is about learning. In the classroom look and listen to the person teaching, be organised and ready to work, try hard to do your best work and seek help if you need it to complete the task. Homework - number facts every night until you know them.

PREP and PRE PREP COME and PLAY DAY

Wednesday 02 September 8 Pre Prep students came along to school for their first chance to try Prep before 2016. This is the start of our transition process and it was great to see so many happy faces and families getting involved. To continue with the theme of our recent Arts Council events we had a circus morning with students trying their hand at spinning plates, hula hooping, juggling and stilt walking. Students also had the opportunity to make masks, paint, use our new Ipads, read and play all sorts of circus themed activities. Thank you to everyone who came along. We really enjoyed your company and can't wait until term 4 during which we will be offering 4 more Come and Play days to help prepare our future students for a great start to their school career at Burnett Heads. Thanks again, Mr Bruce Liston Prep/1 Teacher Burnett Heads State School

WHAT'S IMPORTANT
People are bombarded daily with information. Knowing the purpose for reading helps determine what's important. Why am I reading this text? Is this important, or just interesting? Should I make a note of that detail? Is that information related to what I am researching? I think this is important because... The change in font size leads me to believe that... I need to remember...

P AND C NEWS

TUCKSHOP WILL BE CLOSED NEXT WEEK. NO BREAKFAST CLUB NEXT WEEK.

Closure of the Tuckshop next week enables preparation for Theatre Restaurant. This event is a major fundraiser for the Year 6 end of year excursion so to keep expenses as low as possible, any donations will be greatly appreciated. Items still required are condensed milk, eggs, brown sugar, cooking chocolate, coconut are to name a few. Parent assistance is also required to assist in setting up, to assist with picking up cold room, pie warmer etc, table service on the night and cleaning up afterwards.

Thank you to all who donated items and helped with the Father's Day stall. We realise that we have been asking for a lot during the last term, but as our enrolments are lower, funds are still needed to support our school resourcing and school excursion. All assistance is greatly appreciated.

Father's Day Raffle Winners

1st Prize - Iced Fruit Cake made by Mrs Bett Reid Beryl (Jazmyn's and Lilly's Grandmother)
2nd Prize - James Robson (Darrell Lea Bag)
Other winners - Jedd Westbrook, Tayla Kerry, Taylor Flintoff, Jacob Jessop.

COMMUNITY NEWS

SEPTEMBER in SEPTEMBER is about stepping up for kids who live daily with Cerebral Palsy. We have two children in our school community who have Cerebral Palsy. Taking 10,000 steps a day is our team challenge in Prep / Year 1 class room. Every dollar we raise we have chosen to help fund research into Cerebral Palsy into the hope of one day finding a prevention and even a cure for CP. Mr. Liston, Miss Bee, Mrs Ramm and Mrs Nixon are Burnett Heads School Team in September. Our name is 'Prep Heads'. We hope to create awareness of Cerebral Palsy with in our school and in our community. Starting September 2nd - 29th . Visit on line www.stepember.org.au

ELECTRICITY SAFETY WEEK

Our students have turned into Safety Heroes this week as they learn about electricity and how to behave safely around electrical equipment as part of Ergon Energy's Electricity Safety Week 7-11 September.

A first for Queensland, the free program has taught students valuable lessons that we hope they will bring home – from identifying dangerous electrical situations to knowing what to do in an emergency – to using electrical appliances safely and keeping them away from water.

A safety reminder for parents: If you see a fallen powerline, stay at least 8 metres away from it and anything it may be touching. Always assume they are 'live' and dangerous. Report them immediately to **Triple Zero (000)**.

For more information visit: www.ergon.com.au/network/safety
