

Bullying will not be tolerated at this school. Bullying is repeated put downs to another person, including putdowns based on sexuality, family or race, repeated exclusion of a person from a group, threats of physical harm against another person or actual physical aggression.

For those of you directly involved with the Theatre Restaurant, thank you for your involvement and support of our year 6 students. It was a great night of entertainment and good food, made possible by a wonderful band of volunteers and our committed staff. Our students realised their acting potential to make a very entertaining evening.

SWIMMING - YEARS 1 - 3

CHAPPY NOTICE

Welcome back to the new school term Burnett Heads. I hope your family has had a relaxing and refreshing break. A highlight of mine was watching a couple of whales leaping out of the water while I was having a swim at Innes Park.

Last term I started working with several students on the program 'My Life Rulz' with great feedback from parents. This program builds emotional and social resilience in children based around the belief that our thinking can either: be our friend when it empowers and encourages us, or work against us when we believe lies or have poisonous thinking. If you would like your child to be involved in our Wednesday lunchtime group please return the permission form insert. We will start next Wednesday.

Empowering Insights

1- Sensitivity without honesty results in the accumulation of resentment. Honesty without sensitivity is alienating.

2- If you don't know where the boundary is between helping and intruding, you will invoke resentment on both sides, and then blame the other for their 'ingratitude.' © Copyright D. Riddell, 2012

Thanks Burnett Heads. God bless, Chappy Tanya.

P AND C NEWS

WELCOME BACK! We hope everyone had a safe and enjoyable holiday and are excited back for our last time of school.

Thank you to everyone who helped with our Theatre Restaurant last term. It was an amazing evening for all and congratulation to Mrs Shears, Mrs Edwards and Year 6 for a wonderful performance.

Roster for Tuckshop

Wed 07 Oct	Peter and Sam
Thurs 08 Oct	Linda and Anita
Fri 09 Oct	Sam and Kim

This term our fundraising focus will be on the Lighthouse Festival, Christmas Markets, Raffles and possibly Bingo.

We are asking for donations for both our Christmas Raffle and Craft Stalls. At the Lighthouse Festival we will be having a cake stall and Halloween craft/decoration stall. If you are able to donate any of the following items, it would be greatly appreciated: cakes, biscuits, ingredients, black or orange card-board, paint, cotton wool, glue, tape, ribbon, etc.

COMMUNITY NEWS BUNDABERG REGIONAL COUNCIL MARCH FOR DOMESTIC VIOLENCE

On Sunday the 11th October Bundaberg Regional Council will march with the community to send a powerful message that family violence will not be tolerated in local communities.

Representatives from State and Federal Government have been invited to join Council in this local stand to condemn domestic violence by aiming to encourage State wide solidarity.

Donations for domestic violence will be collected at the march and will be distributed to local services. Local organisations and community members are invited to assemble at 9:45am for a 10:00 am start at the Rotunda in Alexander Park, Quay Street, Bundaberg. Please feel free to bring a chair, and if you wish to distribute information about your organisation please bring a marquee and table.

For more information please phone 1300 883 699
All welcome!

Bundaberg, Queens Park Saturday 24 October, 8.30am – 12pm

Taking part in the Great Barrier Reef Clean-up will help reduce marine debris entering the Great Barrier Reef lagoon in your region and raise awareness about marine debris issues in your local community.

How can I get involved?

- Ø Visit gbrmpa.gov.au
- Ø Follow the links to register for a designated clean-up in your area OR register your own clean-up site
- Ø You will receive confirmation and further details once you have registered. If you have agreed to run a self-managed site, you will receive a GBR Clean-up kit.
- Ø Participate in the GBR Clean-up.

Marine debris can harm marine life, pose a navigational hazard and smother coral. Turtles and dugongs can become entangled in marine debris like nets, or ingest marine debris such as small plastic pieces and bags when they mistake them for food. Plastic can also absorb other potentially toxic chemicals.

The data collected from the clean-ups will be analysed and entered into the Australian Marine Debris database to help create a comprehensive overview of the quantity and types of marine debris found along the Australian coastline and start to identify trends over time. It enables hot spots to be identified along the Great Barrier Reef as well as type and origin of the rubbish collected to help create source reduction plans with the local community and government.

For further information call or email: (07) 4750 0700 or gbrcleanup@gbrmpa.gov.au
The Great Barrier Reef Clean-up is delivered by the Great Barrier Reef Marine Park Authority with funding through Reef Trust, and in partnership with the Australian Marine Debris Initiative - Tangaroa Blue Foundation, Eco Barge and local Reef Guardian Councils.

PRINCIPAL'S MESSAGE

Welcome back to all students and families, for the final term of 2015. During the holidays there have been some important developments for the school on three different fronts. Firstly, during term 4 we will be establishing an accredited 3A playgroup on the school grounds. Our funding application to Playgroups Queensland's Accessible Playgroups program has been successful. Staff undertook training in this highly regarded program in term 3. The program aims at families with children in the 0 to 3 year old age group and is proven to provide the best possible life start for young children and their families. The program will commence during this term.

We have also won funding for a new Upper School Playground from a submission written by Trevor Standfast. The design will be developed over the coming term and construction should start later this year. This will be an interesting replacement for the oldest playground equipment in the school. Another exciting development has been the progression of the Rotary Readers program from the semi finals to the Finals of the Regional Community Awards. This program is the result of the work of our Learning Support teacher Sherilyn Strube, who trains the volunteers and enables this program throughout the Bundaberg Region. The Winner will be announced this term so all are hopeful of a good outcome for a program which serves our school and community so well.

Kind Regards
Pamela Liddell
