P AND C NEWS

The Lighthouse Festival is fast approaching for which we are planning the following events: Cake Stall, Halloween Craft Stall and a Trick and Treat shop. In order for this to be profitable, we are seeking donations for the stalls and volunteers to help set up and work on the stalls. Only a small amount of your time would be

greatly appreciated. Please contact P&C representatives if you are able to assist in any way.

The P&C Meeting has been changed to TUESDAY 20 October since MONDAY is a PFD. The meeting is at 5.30pm. If there are any issues you wish to have discussed at the meeting, please contact a P&C member. All parents are welcome to attend.

Roster for Tuckshop

Wed 07 Oct	Peter and Sam
Thurs 08 Oct	Linda and Anita
Fri 09 Oct	Sam and Kim

This term our fundraising focus will be on the Lighthouse Festival, Christmas Markets, Raffles and possibly Bingo.

We are asking for donations for both our Christmas Raffle and Craft Stalls. At the Lighthouse Festival we will be having a cake stall and Halloween craft/decoration stall. If you are able to donate any of the following items, it would be greatly appreciated: cakes, biscuits, ingredients, black or orange cardboard, paint, cotton wool, glue, tape, ribbon, etc.

COMMUNITY NEWS

Bundaberg, Queens Park

Saturday 24 October, 8.30am - 12pm

Taking part in the Great Barrier Reef Clean-up will help reduce marine debris entering the Great Barrier Reef lagoon in your region and raise awareness about marine debris issues in your local community.

How can I get involved?

- Ø Visit gbrmpa.gov.au
- Ø Follow the links to register for a designated clean-up in your area OR register your own clean-up site
- Ø You will receive confirmation and further details once you have registered. If you have agreed to run a self-managed site, you will receive a GBR Clean-up kit.
- Ø Participate in the GBR Clean-up.

Marine debris can harm marine life, pose a navigational hazard and smother coral. Turtles and dugongs can become entangled in marine debris like nets, or ingest marine debris such as small plastic pieces and bags when they mistake them for food. Plastic can also absorb other potentially toxic chemicals.

The data collected from the clean-ups will be analysed and entered into the Australian Marine Debris database to help create a comprehensive overview of the quantity and types of marine debris found along the Australian coastline and start to identify trends over time. It enables hot spots to be identified along the Great Barrier Reef as well as type and origin of the rubbish collected to help create source reduction plans with the local community and government.

For further information call or email:

(07) 4750 0700 or gbrcleanup@gbrmpa.gov.au

The Great Barrier Reef Clean-up is delivered by the Great Barrier Reef Marine Park Authority with funding through Reef Trust, and in partnership with the Australian Marine Debris Initiative - Tangaroa Blue Foundation, Eco Barge and local Reef Guardian Councils.

School Wide Positive Behaviour Expectations

This term Prep/1 students are exploring how toys work in science. As part of this unit students are sharing toys from home for show and tell. Here is Seth and Loukas with toys that work by pushing. Inara found a very interesting bunny with light and sounds that work by pushing a button.

PRINCIPAL'S MESSAGE

Dear Parents and Guardians,
There has been a report of an unknown person speaking to children near the school. Teachers will revisit safety with students, but parents may also like to remind their children of safe behaviour around people they do not know. There was no threat from this person, more odd behaviour.

A reminder to all parents to call the school if you are attending 1,2,3 Magic sessions the next three Wednesday mornings from 9:00 till 11:30. Morning tea will be provided and childcare will also be available. All parents are welcome to attend. The program takes place in the Library so please come to the area closest to the Prep building.

Practise and competition in interschool sport begins this week. We are encouraging all students from years 4 to 6 to attend this sport, which is about skills development as much as competition. The health benefit of training and competing as well as having our students interact with other schools make the interschool sport program a valuable experience for all students.

Next Monday is a Pupil Free Day which will allow staff to have a day of professional development. As the Community Lighthouse Festival approaches, students will recommence the traditional lion and dragon dances, and teachers will be gathering art work for the Art display. Notices will be sent to the parents of children who are involved in the out of hours dance practice with Mr Standfast.

Kind Regards,
Pam Liddell (Principal)
