### COMMUNITY NEWS

**Bundaberg, Queens Park**

**Saturday 24 October, 8.30am - 12pm**

Taking part in the Great Barrier Reef Clean-up will help reduce marine debris entering the Great Barrier Reef lagoon in your region and raise awareness about marine debris issues in your local community.

#### How can I get involved?

- Ø Visit [gbrmpa.gov.au](http://gbrmpa.gov.au)
- Ø Follow the links to register for a designated clean-up in your area OR register your own clean-up site
- Ø You will receive confirmation and further details once you have registered. If you have agreed to run a self-managed site, you will receive a GBR Clean-up kit.
- Ø Participate in the GBR Clean-up.

Marine debris can harm marine life, pose a navigational hazard and smother coral. Turtles and dugongs can become entangled in marine debris like nets, or ingest marine debris such as small plastic pieces and bags when they mistake them for food. Plastic can also absorb other potentially toxic chemicals.

The data collected from the clean-ups will be analysed and entered into the Australian Marine Debris database to help create a comprehensive overview of the quantity and types of marine debris found along the Australian coastline and start to identify trends over time. It enables hot spots to be identified along the Great Barrier Reef as well as type and origin of the rubbish collected to help create source reduction plans with the local community and government.

For further information call or email:

(07) 4750 0700 or [gbrcleanup@gbrmpa.gov.au](mailto:gbrcleanup@gbrmpa.gov.au)

The Great Barrier Reef Clean-up is delivered by the Great Barrier Reef Marine Park Authority with funding through Reef Trust, and in partnership with the Australian Marine Debris Initiative - Tangaroa Blue Foundation, Eco Barge and local Reef Guardian Councils.

## PRINCIPAL'S MESSAGE

Our local community has once again been very supportive of our students. The patrons of the Lighthouse Hotel Social Club have contributed \$1500 to the cost of sending the Year 6 to the annual Brisbane/Gold Coast trip and Year 5 on their Leadership Camp. This generosity is greatly appreciated by myself and the school community, since it assists in bringing down the cost of these camps, to make them available to all families.

Today there will be a visit from a School Facilities Officer to discuss a grant to the school for the refurbishing of our court at the front of the school. The grant is substantial and it is intended to upgrade the whole outdoor structure and put a permanent roof over the court. This will make a great difference in the use of the court and will ensure it is a sun safe environment. It is hoped that this work will be complete by early next year. Our students use all of these facilities well and it is great to see this encouraged.

The time of the year has arrived when we celebrate the arrival of the first turtle of the season at Mon Repos. To mark this significant and ancient annual event, tomorrow our School Captains will accompany Mrs Reid to St John's to ring in the beginning of the 2015/16 season.

There will be much activity in our Prep area and our Resource Centre tomorrow, as we continue the 1,2,3 Magic parenting program, as well as have a Come and Try day for next year's Prep students. If you know of students who are ready to begin Prep next year, please extend an invitation to them.

The pupil free day was busy and productive yesterday as teachers worked on upgrading our Maths Program and our Code of School Behaviour for 2016.

Kind Regards,
