 You must try my tasty, juicy, scrumptious apple. Will you try my apple?

by Angus

Apples are juicy and fresh off the tree. Come and buy one. They are tasty and yummy. At the fruit store at the farm you will see them. They are luscious and awesome. They are red. Have them for your kids for school and for trips. Eat them on a picnic with the family. They are so delightful.

by Hayley

scrumptious, mouth-watering, awesome cake

For sale - an incredible cake. It is not even expensive. It's only \$2. It even comes with some candles - heaps of them. It's amazing. Incredible low price. It's easy to make. We will even give you the recipe. Perhaps you would love it and remember only \$2. It's at IGA and you would love it. You would certainly buy two once you tasted it.

by Trinnety

Lollies are yummy and tasty food that make your teeth dirty. You would need to brush your teeth but they are nice.

by Breanna

## TERM 1 SPORTING SCHOOLS

Term 1 Sporting Schools Program at Burnett Heads has seen children learn about and attempt the sport of Indoor Bowls. The upper school on a Monday afternoon have had a knock-out competition running to come up with the Burnett Heads Champion bowler. We started with eighteen children paired against each other to eventually get down to our two finalists. Each game was played over three ends with the winner having scored the most shots at the end of the ends. There were some very close results over the weeks of competition, but the final came down to a tussle between Samantha Phyllis and Dylan Carter. After three ends the score was two shots each, so as we had done a couple of times before, we were forced to a tiebreak.

er. In this tiebreaker one student rolled the 'jack' and each student had one bowl to see who was closest to the 'jack'. On this occasion Dylan came out the winner and walked away with the Tuckshop Voucher on offer for the winner. Congratulations to all that were involved in the Indoor Bowls Sporting Schools Program this term. We look forward to seeing some of you on the 'greens' in the future.

**PRINCIPAL'S MESSAGE**

Dear Parents and Guardians,  
At the AGM yesterday, only one Executive member was appointed. This is Peter Nordberg who is P&C Treasurer for the coming year. Peter has been in this position for some months and it is great that he is happy to continue in this important role which he does so efficiently. The decision of the remaining group of parents at the meeting was to not take up positions of President, Vice President and Secretary. This was because the people in attendance all have a strong presence in the school, either as employees or volunteers. Some have also filled most P&C roles over the previous years. As such, the parent voice being heard is too narrow and consequently other parents may feel unrepresented.

If you consider that you would like to have more input into the school—remembering that this is a valuable presence for your child's education as well, please consider nominating for the positions available. Your input into the school would be greatly appreciated and there are people available to assist you to learn the ropes. The President role is a particularly important one, with perusal and signing of school documents such as the Annual Improvement Plan and the School Behaviour Plan.

If meeting times are an issue, then that can be negotiated. The next meeting of the P&C is April 18 at 5.30pm. Congratulations to our Bronze and Attendance winners.  
Have an enjoyable break everyone.  
Kind Regards  
Pamela Liddell (Principal)
