**READING STRATEGY: VISUALISING**

Visualising is making pictures in our head as we read. Doing this improves our understanding of what we are reading, helps us to add our own knowledge to fill out the story and will help us to remember the detail for a longer time. Good visualisers keep adjusting the picture in their head as they continue to read. When our picture closely matches the author's intention our understanding of the text will be strong.

**Visualize—Make Sensory Images**

Make the movie in your mind when you read...smell the bread baking...hear the birds singing.

Visualizing is closely connected to background knowledge. (You can't visualize what you don't know.)

**PREP/1 MOTHERS' DAY CELEBRATION**

**FREE MICROSOFT OFFICE 2016 FOR STUDENT and STAFF**

All Queensland state school staff and students can now download multiple free copies of the latest Microsoft Office to their personal home computers and mobile devices.

Students and staff will need to use their school email address to sign in. Students who don't have a school login, school email account and password should contact their school's Managed Internet Service (MIS) administrator or class teacher. The administrator will help students activate their school login.

Microsoft Office 2016 is available for personal devices only, not devices owned by the department or part of a school network. Errors and conflicts will occur if Office 2016 is downloaded on departmental devices, as these devices already have a licenced copy of Microsoft Office. Your Office subscription lasts for as long as you're a Queensland state school student or school-based staff member.

Please follow this link: <http://www.education.qld.gov.au/learningplace/whats-happening/office2016.html> or Google search education Queensland free Microsoft office to locate the page.

I have tried this at home and found that the links work fine and the download process very easy to follow. If you have any problems then just contact me and I will see if I can assist you.

**DATE CLAIMER WEDNESDAY JUNE 8 CELEBRATE WORLD OCEAN DAY with a MOVIE NIGHT!**

On World Oceans Day Wednesday June 8 people around the planet celebrate the water that links the whole world together .... the ocean.

Our Reef Rangers at the Burnett Heads State School have teamed with the Burnett Mary Regional Group to bring to the school the award winning movie *Bag It!*

*Bag It!* is an entertaining way to introduce us to the problem of single use disposable plastic. It's really never too late to make better choices.

By taking care of your own backyard, you are acting as a caretaker of our ocean. We are all linked to, and through, the ocean!

Join us at the school on Wednesday 8 June for this community event.

Sausage Sizzle available from 5pm. Movie presentation guided by Project Officer Sue Sargent BMRG from 5.45.

# Burnett Heads THE BEACON

A NEWSLETTER LINKING BURNETT HEADS PRIMARY SCHOOL COMMUNITY

### PRINCIPAL'S MESSAGE

Dear Parents and Guardians,  
The Bundaberg and District Show begins this week, and Thursday is the Public Holiday. Miss Strachan and the Year 1/2 and Mr Standfast have organised school work for the Pavilion, so if you do go to the Show, do check out the Burnett Heads display. The display theme is the 50th anniversary of decimal currency.

Wednesday is Under 8s Day at our school. Our under 8s will be joined by C&K children as well as the Tiny Tots Playgroup. All under 8's are welcome on this day and much preparation and planning has gone into providing a variety of activities for the morning. It commences at 9:00am and concludes at approximately 10:30am.

Included in this Newsletter is a photograph of a number of Burnett Heads ex students who have continued with their training with Mr Standfast towards the Duke of Edinburgh Awards. These awards stand students in good stead as they go into their teens and it is excellent to see Burnett Heads so well represented.

Accompanying this Newsletter is the form for the School Dental Van. We do not have an exact date for its arrival but could parents complete and return these permission forms straight away so we have everything ready to go. Could I remind parents that mobile phones are not permitted in the school as stated in the School Code of Behaviour. If a student needs a phone at school it must be left with Mrs Harris in admin before school starts.

Kind Regards  
Pamela Liddell (Principal)
