Last Tuesday, Year 6 went to Kepnock. We had an agricultural lesson, where Mr Foster showed us some of the crops, machinery and animals they have. We saw tractors and implements, plants growing and where they wash potatoes. We also saw cows and chickens and walked through a cattle crush.

After the lesson, Mr Gray gave us a tour of some of the school. We walked through the dance and science classroom and looked at the wood work and art classrooms. We also saw quite a few students that went to Burnett Heads.

## PRINCIPAL'S MESSAGE

Dear Parents and Guardians,  
This term there are many activities which are aimed at stimulating student participation in applied learning. This week the interest in reading continues to be promoted through the Book Fair which finishes on Wednesday with a "dress as your favourite book character" event. This will take place at assembly which will be at 9:00 am Wednesday. Miss Rose reports strong support for the Book Fair and Premier's Reading Challenge continues. Engaging young readers and parents is also the agenda for Playgroup on Wednesday June 15, when Early Childhood Educator Michele Binstadt comes to Play group. Lots of good activities will be on offer so do let Sally know tomorrow if you are able to attend. Miss Strachan's and Mr Standfast's classes looked at the introduction of Decimal Currency for their entry at the Bundaberg Show. Burnett Heads was awarded 2nd place overall for a terrific display of student work.

On the Science front, next Thursday is an important day for our community - World Ocean's Day. As a Reef Guardian School, we will be showing the movie Bag It, which looks at the steps we can take to keep the ocean clean and productive for all who live from it and use it. This film has previously been shown at CQU and bringing it to our community reflects the importance of the ocean to coastal communities. The P&C will offer a sausage sizzle and the movie will commence at 5:30. All are welcome.

Kind Regards  
Pamela Liddell (Principal)
