A NEWSLETTER LINKING BURNETT HEADS PRIMARY SCHOOL COMMUNITY
PRINCIPAL'S MESSAGE

Dear Parents and Guardians,
At times families go on holidays or have other reasons which require a child to miss school for a period of time over 2 days. There is a legal requirement that parents inform the school and an formal "leave of absence" process is recorded. It is best done before the event so that the absences are properly recorded on the roll. Call into the office if you have to take your child/ren out and we can complete the necessary paperwork. We have a couple of special Colour events this week. You will find attached to the Newsletter your invitation to attend our World Ocean's Day event in the Hall on WEDNESDAY June 8. We are hoping many families and community members will attend. Blue is the colour for Ocean's Day - so if you have something blue to wear it will fit well with the evening. Some students will be dressed as protesters with placards bearing messages about the real enemy of the oceans.

This event is one where students must be accompanied by an adult for the entire program, which should be finished by approximately 7.00 pm. There is no cost. The P&C have details of a National Green Day on Friday in their news. The dental van arrives at our school on Friday. School days are the only times dental services are free and all students are eligible to attend. Permission forms must be received for this to happen and when completed they can be handed in at the office. Testing is nearly finished and reports will go home last Tuesday of term. Regards, Pamela Liddell (Principal)
