READING STRATEGY: COMPARING

In our reading lessons we are learning to use the strategy called **COMPARISON**. It sounds as if it could be tricky but it isn't. We think about how people, places, events, things, and ideas are the same or different. When we talk about comparing it sounds like this

- "Thad the same thing happen to me ..."
- "This part of the story is like my life ..."
- "This has never happened to me ..."
- "I think I would have felt differently because ..."
- "I have read another book like this one ..."

Comparing two things can look like these hoo-la hoops. (see picture) Some things are very different and the parts that are the same are shared by both.

MUSIC NEWS

Music students in Years 4, 5 and 6 are reminded to bring **Choir folders** every **Thursday** and **Band folders**, with books and instruments, every **Friday**.

Performances at school for Choir and Band on Wednesday 22nd June .

NOTE FROM DENTAL VAN STAFF

Every student should have received a medical history/consent form to have a dental check-up. If you wish your child to participate and have not received a form, please pick one up from the school office or the dental van staff.

These forms are sent to the dental administrative office for processing and entered into the computer. Please be patient, as we have only one administration officer and we are one of seven (7) dental facilities in the Bundaberg Region.. Should you have any urgent concerns, please contact the dental van staff on 0427 691 725 or our administration officer on 4303 8059. Dianne and Nadia

The van is currently at our school and will be operating Monday to Friday, including the school holidays.

REEF RANGERS UPDATE

Celebrating **WORLD OCEAN DAY!**

BAG IT! Community Movie Night
Our school got together last Wednesday 08 June at 5pm in the school hall to watch the award winning movie called *BAG IT!* This event was organised by Mrs Strube and the Reef Rangers Club to recognise World Ocean Day and promote how important it is to be aware of the plastics we use and the effect it has on our lives, the environment and especially how it impacts and harms marine life.

We were lucky to have Sue Sargent, a local marine biologist who works for the Burnett Local Marine Advisory Committee, attend our special movie night and talked to the children, parents, local community members and teachers about the importance of protecting our sea environments from harmful pollution such as plastics. Sue Sargent, plus the information given from the *BAG IT!* movie gave everyone a realistic look at just how much plastic we produce and use as a society and the scary, harmful damage it has on people, animals and the environment. The Reef Ranger Club are keen to do more in our school to improve our knowledge and practice of using plastics, particularly being close enough to the ocean to know our litter could potentially blow down the road and into the ocean. We had a great attendance for our first movie night. We really enjoyed bringing our pillows and blankets to school seeing this movie with friends and family. We had fun pretending to be protesters as we started the evening. and Thank you to Mrs Phillis and Mrs Ramm from P&C for providing a yummy sausage sizzle on the night.

Burnett Heads THE BEACON

A NEWSLETTER LINKING BURNETT HEADS PRIMARY SCHOOL COMMUNITY
PRINCIPAL'S MESSAGE

Dear Parents and Guardians,
Teachers have completed student assessment and the final stages of preparation of reports is underway. These will go home with next Tuesday's newsletter. Parents should make an appointment to see the class teacher if they have any questions or any areas requiring clarification.

The Ocean Day film *Bag It!* was informative and I for one learnt from watching it. Thank you to those who attended. I will be discussing with the P&C some possible steps that we can take as a school to be part of the solution rather than part of the problem. There are many events over this next 10 days, beginning with the launch of the Year 4 book this afternoon. Tomorrow there is a visit from the Bundaberg Library to our Playgroup for a special reading event with parents and children. The annual Leaders Meet Leaders luncheon and the "S" Disco are also tomorrow. Arts Council is on Friday, a visit to the Art Gallery for years 5 and 6 to see the Ann Frank display next Tuesday, the 800 m next Tuesday and of course Sports Day on Thursday and Silver Day on Friday.

Next Wednesday 22 June there will be a special Assembly at 2.00pm with performances by our Instrumental Music students and the Choir. Mrs Martinuzzi has been working hard with the choir and the band to make a performance of their skills developed over the semester. Our undercover sports shed is awaiting the new surface and sport's markings and should be complete next week.

Regards,
Pamela Liddell (Principal)
