have taken home zucchini and there will soon be some tomatoes, cucumbers, beans and corn to take home.

In Science, Year 2 have been looking at the movement of things through push and pull. We looked at how we used our play equipment. We asked the question:- Do we push or pull? In which direction do we move?

GREAT STORY INTRODUCTIONS

A SHADOW of EMBARRASSMENT (by Paige) Mary was reading and re-reading her lines for the parade! The Mayor would be there so if she could pull this off, all the bullies would eat their word. You see for years, bullies had been teasing her for stuttering in front of the class once. If she didn't do it perfectly then they would NEVER stop! Her speech was perfect though, all the lines memorised ; even her family knew it as well as her, because she had revised it that many times. Even though she was confident with her speech, she was still nervous to the point that her armpits were so wet with sweat that you would think she had dunked them in a bucket! Then, her name was called! Mary had mixed feelings, she was excited and scared. She couldn't wait for it to be over. Practice is all well and good but Mary was petrified about public speaking. She stood there like she got turned to stone, eyes glued to the Mayor , who muttered something to her teacher. All of a sudden all fear the fear built up inside of Mary escaped. She bolted

THE EGGS by Kayla

Flame ran through the forest as fast as his legs could carry him. He had never been this scared in his life, running away from a crazy, maniac dragon was not the way he would have expected to wait for his eggs to hatch. With no one around to help him he was trapped. He could run all he liked but wouldn't be able to escape the might undead dragon, Shadow Whisperer. It was all good until Flame was cornered, he realised he will have to face Shadow Whisperer. Flame had never been in such a frightening situation. Shadow Whisperer was a familiar name for him even though he had never met or seen him, he just knew it

meant trouble. He starred hopelessly at his three spotted eggs held tightly to his chest. He slowly put down the eggs against a mushroom in the forest's long grass. He stretched his powerful wings and took flight . As he looked down down at the millions of trees below him he could hear a soft hissing sound coming from behind him

PLEDGE A PAVER

We are seeking donations of materials for the Grandad's Garden Project. Materials sought include:

- Clay pavers (200 x 100 x 40)
- Square pavers (400 x 400)
- Cement powder
- Treated pine sleepers in good condition

We are also seeking pavers as part of 'Pledge a Paver' – every community member adult and child is invited to donate a new or used paver. The 'motley' collection symbolises the individual differences we bring to our community and how we will all work together to become one.

Please contact Carly (0418 778 610) to arrange inspection of materials (to confirm suitability) and collection. Individual pavers under the 'Pledge a Paver' program can be delivered directly to the school.

BODY SHOP AT HOME

Gemma Williams will be holding a stall on Thursday 27 October. A percentage from the sales will be donated to the P&C. If you are looking for Christmas gifts this is an easy and stress free way to shop. Catalogues look great.

Bandanna Day

Bandanna day is where people raise money for kids, pre-teens, teens and adults who have got cancer. A way of doing that is by raising money and selling bandannas. Many people with leukaemia have chemotherapy and lose their hair, wearing a bandanna is one way you can show your support. Bandannas are being sold at Morning Tea and Lunch time in the undercover area by the Student Council. They are \$4 each and are able to be worn at school all week.

PRINCIPAL'S MESSAGE

Dear Parents and Guardians
Classes are completing our school contribution to the Lighthouse Festival this Saturday. Student art work will be on display in the Hall, and also as part of the side of the model Lighthouse. Our choir is singing at 12.45pm and I hope to see many of you there to listen to them. It is definitely worth the time to do so.

Prep Come and Try morning was today and I would ask parents to remind any community families with children turning 5 before June 30 2017 to call into the school. Parent information dates are approaching followed by interviews with Mr Liston for each family. Congratulations go to Mr Liston for being nominated for the Sea FMs Best Teacher Award 2016. Enrolments for Prep 2017 are due now. All classes who are going on camps at the end of year have been notified. These camps begin with the Year 4 camp at Mon Repos on 15, 16 and 17 November, followed by Year 5 camp on 22 and 23 November at Smith's Crossing and Elliott Heads. The annual Year 6 camp commences on November 29. Could parents who have concerns/questions about these camps contact Mr Standfast (Year 4 & 5) or Ms Larsen (Year 6). It is the school's preference that all students attend unless behavioural issues cancel the teacher's ability to be confident in the student's responsible behaviour.

Progress will soon be visible for our Grandad's Garden with artist Jenni Kirkwood beginning her mural soon. Like the supplies she will use, this transformation of the side of the Prep building is funded through her generous donation of time and skill, along with the Lighthouse Social Club's donation of materials. It will truly be a community garden

Kind Regards
Pamela Liddell (Principal)
