CHANGE OF DATE FOR CHOIR

YEAR 4 MON REPOS CAMP

For three days last week the year four students participated in a wide range of activities at their camp at Mon Repos. The students worked on learning about the history, uniqueness of the area, native animals and experienced overnight camping. The students had to set up their own tents for their two-night stay. We all visited the Mon Repos Turtle Conversation Centre and participated in a turtle tour on the first night. The turtle that we observed took the record for the slowest turtle to nest in history, which was very tiring for the children. The second night was a celebration night as there were two birthday cakes, a night game, and marshmallows to toast. We are very fortunate to live so close to this exceptional area which has such a diverse range of educational, natural and social experiences for the students. We received many comments from other campers, the owner of the caravan park and rangers about the positive behaviour and attitude of the students from Burnett Heads.

A BIG thank-you.

We were very fortunate to have Mrs. Doorley and Ms. Portelli assisting with the food preparation and planning for the camp. Also, we were lucky to have Mr. Sugars camp with us overnight and help with our turtle tour and night activities. Finally, thank-you to all of the parents who made sure that their children packed their camp gear and provided meals for supper.

Jess is having her lovely long hair cut on Friday 25 November at 2.45pm in the undercover area. Jess's hair will be given to charity so that someone with cancer can have hair too! Jess would like funds raised to support our school chaplaincy service. Jess's hair is going to be cut into 6 different plaits.

For a coin donation students/parents/staff will be able to guess the length of her hair. All donations will support Chappy Tanya at our school. There will be a prize for the closest guess.

PRINCIPAL'S MESSAGE

Dear Parents and Guardians
This week Gina Fuller retires after 24 years of guiding our students and families safely across the road. Gina has always done her work with great care and has made sure that students know the safety rules about how and where to cross the road. Her input has been greatly appreciated and on behalf of the school community and students past and present, I thank her.

Our Year 6 student Jess Carter will be having her hair cut in the undercover area on Friday afternoon after the Volunteers Afternoon Tea. Jess is donating her hair for wigs to be made for cancer patients. Money raised to support her goes towards the \$5000 we need to raise each year to support Chaplaincy. We also have a 'guess the length of Jess's hair' competition for 50 cents a guess. This also goes towards Chaplaincy fundraising.

It is a busy time of the year for excursions with our students. The Year 4 enjoyed their time at Mon Repos experiencing the history, natural environment and the world class attraction of the turtle laying season. This week the Year 5 are experiencing the beginning of Leadership skilling and reflecting on what they can bring to 2017 as school leaders. Next week of course is the Year 6 end of primary school excursion to Brisbane, with its many highlights. The P&C play a pivotal role in this process and much hard work has been done behind the scene to help teachers with these events. The trips are worth the time, effort and money for the students enjoyment and learning. End of year disco is this Wednesday with a Christmas theme. Once again we will have a combined upper and lower school event from 4:30 to 6:30.

Kind Regards
Pamela Liddell (Principal)
